Re: South Carolina Energy Freedom Act (House Bill 3659) Proceeding Related to S.C. Code Ann.
Section 58-37-40 and Integrated Resource Plans for Dominion Energy South Carolina, Inc.
Docket No. 2019-226-E

Dear Ms. Wessinger-Hill:

I am writing on behalf of Dominion Energy South Carolina, Inc. ("DESC") to respectfully request a two-week extension of time for DESC to file its rebuttal testimony in Docket No. 2019-226-E along with a corresponding extension for the filing of surrebuttal testimony by other parties.

DESC has consulted with all parties of record regarding this extension. The South Carolina Office of Regulatory Staff, the Southern Environmental Law Center, the Coastal Conservation League, Johnson Development Associates, Inc. and the South Carolina Solar Business Alliance consent to the request with the conditions contained in the attached email. As of this writing, no other parties have responded.

The reason for the request is to allow DESC to comply with the requests of ORS and other parties that DESC revise and refile its IRP analyses to address additional scenarios, adjust certain assumptions, and correct certain transcription and formula errors identified during discovery. The revised analyses are being prepared, but require the modeling of approximately 140 individual planning scenarios hour by hour over a forty-year planning horizon and other work to calculate levelized capital costs and to validate and present the results. Completing these tasks will require an additional two weeks.

Pursuant to Order No. 2020-22-H, rebuttal testimony is currently due August 14, 2020. DESC requests that this rebuttal testimony now be due August 28, 2020. DESC in turn will allow a two-week extension for surrebuttal testimony to be filed, with a new due date of September 18, 2020.

DESC recognizes that the hearing in this matter is currently scheduled to begin on September 21, 2020. However, pursuant to Order No. 2020-488, the Commission has indicated that the hearing date will be moved to allow the seating of new commissioners. Given that the hearing will be delayed, DESC does not

anticipate any hardship on any party or the Commission in extending the remaining dates for testimony to be filed.

Thank you for your consideration. Please contact me with any concerns or questions.

Respectfully submitted,

/s/Belton T. Zeigler
